Thanks very much Seth.

I am finding what appears to be numerous errors in the Cabot provided data. Hopefully I am wrong, since if I am correct I will have wasted about 40 hours of time....

Hi Rich,

Per your request, please see the attached files. I apologize but I don't feel comfortable giving out Anthony Gorody's personal email address because I don't know him and I don't know if he uses it for business purposes – I only have it because it was included in an email that was forwarded to me by someone else. His LinkedIn page is [here](#) and I think the address and phone number for his consulting business is [here](#). Hope this helps!
